

MANIFESTO FOR THE OFFICE OF TREASURER KANO STATE CHAPTER, UNIMAID ALUMNI ASSOCIATION

Theme: Financial Integrity, Transparency, and Accountable Stewardship

Dear Esteemed Alumni,

I am **Zanna** Abatcha, CNA, ACIT, a proud graduate of the **Department of Accountancy (Class of 2013)**. I present myself to you as a candidate for the office of **Treasurer** of our noble Alumni Association, Kano State Chapter.

Unmatched Professional Fit & Experience

The custodian of our association's treasury must possess professional competence, financial discipline, and proven integrity. As a practicing Accountant and certified member of both the **Association of National Accountants of Nigeria (ANAN)** and the **Chartered Institute of Taxation of Nigeria (CITN)**, managing finances transparently is my daily professional duty.

Furthermore, my dedication to student and alumni governance is backed by practical financial administration. Having served as the **Financial Secretary of the Nigerian University Accounting Students Association (NUASA), UNIMAID Chapter (2009/2010 session)**, I bring direct, hands-on experience in managing associational funds, ledger keeping, and financial reporting.

Core Action Plan for the Treasury

If given your mandate, my professional background will drive four key operational commitments:

- **Transparent Financial Reporting:** Publish clear, accurate, and timely quarterly financial statements so every financial member knows exactly how association resources are managed.
- **Automated & Seamless Dues Collection:** Streamline dues collection through secure digital payment channels, ensuring every transaction is tracked and instantly acknowledged.
- **Prudent Budgeting & Resource Allocation:** Work closely with the Executive Board to implement strict budgetary controls, minimizing waste while maximizing funds for member welfare and chapter projects.
- **Financial Auditing & Compliance:** Ensure all chapter accounts, bank reconciliations, and financial records align with top accounting standards and CITN tax compliance guidelines.

My Promise

A thriving UNIMAID Alumni chapter requires complete financial trust. With my combination of academic background, professional certifications, and prior leadership as Financial Secretary, your resources will be guarded with total integrity and competence.

I humbly ask for your trust, your support, and your vote.

Vote ZANNA ABATCHA UMAR for Treasurer

Integrity | Transparency | Accountability
